Liberty Bell
GAMES

PRESENTING SPONSORS

HOSTED BY

Welcome to the Liberty Bell Games
10th Anniversary Tournament!

Hockey is more than a game, it teaches us the correct principles that will serve as a guide to use in life; respect for authority, camaraderie, confidence, a solid work ethic, patience, sharp communication, negotiating and listening skills and self-esteem. NCAA statistics list ice hockey players as having a significantly higher graduation rate than student athletes in other similar team sports.

Selecting our 120 players is a challenging and time consuming task that we take seriously. Each application is individually reviewed and evaluated by our administrators who follow stringent guidelines for player acceptance. We meticulously choose our players in an effort to accentuate player talent in competitive games. This blueprint has been the key factor to our success and that of our players.

We are very proud of what we have accomplished in nine years! Sixteen Liberty Bell Games alumni have been picked in the NHL Entry Draft, which is a testament to the elite players we select. Sanctioned by USA Hockey and recognized as the premier showcase for elite youth hockey players in the Mid-Atlantic/Southeastern Region, the Liberty Bell Games are renowned for attracting an unprecedented number of local and nationally-known scouts and coaches from the NHL, NCAA, OHL, USHL, USPHL, Preparatory Schools, and other Independents who eagerly attend to observe our exceptional, highly-skilled potential prospects.

There are countless hockey tournaments and events, but what makes our showcase so distinctive? Our deep commitment is to make the focus of the Liberty Bell Games nothing less than emphasizing our talented players. The principal of our initiative is to provide our aspiring players with a unique opportunity to participate in a superior level of play, which allows them to showcase their skills in highly competitive games where they can be evaluated. In the last nine years, nearly 50% of our players have been contacted and continued to be observed by our scouts and coaches.

Thank you to our players, parents, coaches, and scouts! We hope you have a great weekend of hockey!

Our best wishes,
Lewis A. Mongelluzzo
President & CEO
